

(ii) HUD will not require the primarily religious organization to establish the wholly secular organization before the selection of its application. In such a case, the primarily religious organization may apply on behalf of the wholly secular organization. The application will be reviewed on the basis of the primarily religious organization's financial responsibility and capacity, and its commitment to provide appropriate resources to the wholly secular organization after formation. The requirement with regard to site control, described in § 583.320, may be satisfied if the primarily religious organization demonstrates site control and a commitment to transfer control of the site to the wholly secular organization after its formation. If such an application is selected for funding, the obligation of funds will be conditioned upon the establishment of a wholly secular organization that meets the definition of private nonprofit organization in § 583.5.

(c) *Participant control of site.* Where an applicant does not propose to have control of a site or sites but rather proposes to assist a homeless family or individual in obtaining a lease, which may include assistance with rent payments and receiving supportive services, after which time the family or individual remains in the same housing without further assistance under this part, that applicant may not request assistance for acquisition, rehabilitation, or new construction.
